Description

The 2005 Riva 52 Rivale is powered by twin MAN V10 engines, each producing 1,100 hp. Both engines were fully overhauled in 2023. She has shaft-drive transmission, a cruising speed of 26 knots and a top speed of 38 knots. Fuel consumption is stated at 190 litres per hour at 1,800 rpm.

Accommodation includes a master cabin, a twin guest cabin and a separate crew cabin, with two guest bathrooms. Onboard power is supplied by a Kohler 11 kW generator.

Equipment includes a 12-inch Raymarine Axiom chartplotter with radar, Raymarine autopilot, Raymarine TriData instruments for depth, speed and log, and a Simrad VHF with DSC. Other features include a Side-Power bow thruster, retractable Opacmare hydraulic gangway, air conditioning, teak cockpit, side decks and bathing platform, bimini, cockpit enclosure, outdoor shower and swimming ladder.

The yacht has 12/24/220 V systems, shore power, a battery charger, hot-water boiler, electric bilge pumps and an engine-room fire protection system.
