Description

Classic Motorboat / Notary Boat - fully restored and ready to sail A beautiful classic motorboat from 1933, with the charm of yesteryear and the comfort and technology of today. This charismatic motorboat/notary boat, built in 1933 in Enkhuizen, has been completely restored and is in top condition. A special ship for lovers of classic boats who are looking for a stylish and reliable boat with a unique appearance.
During the restoration, much attention was paid to both the authentic character and modern sailing comfort. The ship features a new propeller shaft with propeller, Python Drive, a new stainless steel fuel tank, and hydraulic steering, among other things. The powerful Yanmar diesel engine of approximately 100 hp ensures excellent sailing characteristics.

Maneuvering in ports is also easy thanks to the bow thruster. On board you will find a new teak deck and new paneling, classic gauges, LED interior lighting, and Lopolight navigation lights. The compressor refrigerator provides extra comfort during longer trips. Characteristics Classic motorboat/notary boat Year of construction: 1933 Built in: Enkhuizen
