Description

Discover the Mediterranean aboard the Aventura 37 "Flor de Ibiza"
Some boats make you want to stay. The Aventura 37 "Flor de Ibiza", brand new in 2024, is one of them. Designed by the renowned Lasta Design Studio, this sailing catamaran — 10.90 metres in length and 5.94 metres in beam — represents the very best the nautical market has to offer in its class: a modern, safe and extraordinarily comfortable vessel, equally suited to the experienced sailor who wants to take the helm independently and to those who prefer to simply enjoy the ride.

Available from Denia (Marina El Portet) and Ibiza, the Flor de Ibiza puts some of the most spectacular scenery in the Mediterranean within your reach: the hidden coves of Ibiza, the turquoise waters of Formentera, the underwater landscapes off Cap de Sant Antoni… An unmissable setting for a week, a weekend or a day's sailing you won't forget.

Spaces on board

The Aventura 37 stands out for its exceptional use of space. On deck, the stern cockpit is wide and welcoming, with comfortable seating and a table for 8 people under the protection of a solid hardtop. A sturdy ladder leads up to the flybridge, where the helm station sits alongside a 360-degree sunbathing area offering sweeping views of the horizon. At the bow, generous sunbathing cushions invite you to rest and soak up the sun on the open sea.

The interior is bright and well laid out, with a saloon, chart table and fully equipped galley. The boat accommodates up to 8 guests across 4 double cabins and 2 full bathrooms with independent showers. Every cabin is designed with privacy, good ventilation and quality finishes in mind, making rest on board a genuine pleasure.

Key equipment

The Flor de Ibiza is equipped for safe, comfortable and enjoyable sailing. On board you will find 2 × 30 HP engines, Raymarine GPS plotter and VHF radio, solar panels, EmpirBus electrical management system, mainsail and furling genoa, Smart TV and audio system with exterior speakers, 285-litre fridge/freezer, oven, microwave, onboard griddle, coffee maker, dinghy with outboard engine, paddleboards, snorkelling gear, barbecue and cabin heating. Water capacity: 500 L · Fuel capacity: 500 L.

Bareboat charter: the freedom to sail on your own terms

The "Flor de Ibiza" is available as a bareboat charter for those holding the appropriate sailing qualification and able to demonstrate sufficient experience handling catamarans. Sailing without a skipper means choosing your own course, anchoring wherever instinct takes you, trimming the sails as the wind shifts and reaching that cove that doesn't appear in any brochure. It means waking up to the sound of water against the hulls, having your morning coffee on deck with the breeze in your face and deciding on the spot whether to keep sailing or spend the day at anchor. A freedom that, for those with the experience to enjoy it, is simply priceless.

If you meet the qualification and experience requirements, the team at Marina Estrella Charter will review your profile carefully and with the trust you deserve.

Skipper available if you need one

If you'd rather not take the helm, or simply want to enjoy the boat without any worries, you can add a professional skipper to your charter. Our skippers have an in-depth knowledge of the local waters and anchorages, handle the boat with confidence and skill, and fully respect your space and privacy on board.

The destinations: Denia and Ibiza

Denia is a privileged departure point. From its marina, the crossing to Ibiza — around 45 nautical miles — is already part of the adventure. Ibiza from the sea is a different Ibiza: secluded coves such as Cala Xarraca, Cala d'en Serra and Cala Aubarca, the seabeds of Ses Salines and, just a short hop away, Formentera with its Caribbean-blue waters and the beach of Ses Illetes. The Aventura 37 is also available on a direct Ibiza basis for those who prefer to start their adventure from the island.

Sailing these waters aboard the Aventura 37 "Flor de Ibiza" is not just a holiday. It's an experience that changes the way you see the Mediterranean.
