Description

BALI 4.2 – Discover a New Dimension of Catamaran Sailing

Experience the perfect combination of innovation, comfort, and freedom with the BALI 4.2, a modern cruising catamaran designed to deliver an exceptional sailing experience. Created by BALI Catamarans, this model combines spacious living areas, contemporary design, and the brand's signature open-space concept.

The BALI 4.2 offers an impressive sense of space, seamlessly connecting indoor and outdoor living areas. Its bright panoramic saloon, spacious cockpit, and comfortable lounging areas create the perfect environment for relaxing, entertaining, and enjoying life at sea.

Designed for both coastal cruising and longer voyages, the BALI 4.2 combines practical functionality with outstanding comfort. Its innovative layout, generous storage capacity, and thoughtfully designed living spaces make it an excellent choice for families, private owners, and sailing enthusiasts seeking adventure without compromising on comfort.

With various cabin configurations and an extensive selection of optional equipment, the BALI 4.2 can be fully customized to meet your individual preferences and sailing requirements.

This advertisement refers to a brand-new BALI 4.2 in its standard base configuration, available for individual customization. Choose your preferred cabin layout, navigation equipment, comfort features, and additional options to create your ideal catamaran.

Originally priced at €446,500 excluding VAT, now available from just €379,525 excluding VAT — a 15% discount!

The advertised price applies to the standard base model. Optional equipment, upgrades, transportation, commissioning, and applicable taxes are not included.

Contact us for a personalized configuration, detailed specifications, and a tailored quotation. Our team will be happy to assist you in creating your perfect BALI 4.2.
