Description

BALI CATSPACE – Exceptional Space, Endless Possibilities

Discover a new level of freedom and comfort with the BALI CATSPACE, an innovative cruising catamaran that combines spacious living areas, intelligent design, and excellent sailing capabilities. Created by BALI Catamarans, this model offers an outstanding balance of functionality, comfort, and modern style.

The BALI CATSPACE stands out for its exceptional use of space, offering generous living areas both inside and outside. Its bright panoramic saloon, spacious cockpit, and innovative open-space concept create a seamless connection between indoor and outdoor living, making every moment on board a pleasure.

One of the model's most distinctive features is its exceptionally spacious flybridge, providing a comfortable area for relaxation, sunbathing, and enjoying panoramic views. Combined with its generous cabins, practical storage solutions, and thoughtfully designed layout, the BALI CATSPACE is perfectly suited for family cruising, extended voyages, and unforgettable adventures at sea.

Designed to maximize comfort without compromising sailing performance, the BALI CATSPACE offers various cabin configurations and an extensive range of optional equipment, allowing owners to create a catamaran tailored to their individual needs and preferences.

This advertisement refers to a brand-new BALI CATSPACE in its standard base configuration, available for individual customization. Choose your preferred cabin layout, navigation equipment, comfort features, and additional options to create your ideal catamaran.

Originally priced at €368,000 excluding VAT, now available from just €312,800 excluding VAT — a 15% discount!

The advertised price applies to the standard base model. Optional equipment, upgrades, transportation, commissioning, and applicable taxes are not included.

Contact us for a personalized configuration, detailed specifications, and a tailored quotation. Our team will be happy to assist you in creating your perfect BALI CATSPACE.
