Description

Remarks :
We are delighted to bring this exceptionally rare, one-owner Bavaria 34 to the market. Named Saxon Lady, she was originally purchased in 1999 by her current and only owners. From her early years based at Chichester Marina, enjoying cruises around the Solent, to her successful voyages to and from the Mediterranean, she has been treasured and meticulously maintained by them for over 25 years. Having now made the difficult decision to move on, they are hoping that her next owners will enjoy and care for her as much as they have. Built in 1999, but not launched until 2000.
The Bavaria 34 is a well-regarded and beautifully proportioned cruising yacht, offering an excellent balance of sailing performance, practicality and onboard comfort. Designed and built by Bavaria Yachts with family cruising in mind, she makes an ideal choice for weekend getaways, coastal adventures and longer offshore passages.
