Description

"Fortissimo," an Akilaria RC1 (with RC2-style cockpit), is for sale at €144,000 excl. tax (VAT recoverable); it has undergone a complete refit and holds a 2026 survey certificate.
2008 polyester sandwich construction, launched in 2010; designed by Lombard and built by MC TEC. Very solid construction, excellent structural integrity, and very light usage.
Complete refit in 2026 and optimized for the GSC by a professional team:
- Addition of watertight compartments (bulkheads and doors); reinforcements for the bowsprit and chainplates.
- Keel removed, keel head rebuilt, and new resin casting.
- All through-hull fittings, valves, and rudder bearings replaced.
- Addition of a hard dodger for safety and comfort.
- New standing rigging in 2026 (rod rigging, runners, checkstays, and forestay).
Ideal for entering Class40 on a tight budget, for transatlantic crossings or round-the-world races (Globe 40 or Global Solo Challenge), or for racer-cruiser use.
