Description

very sleek and fluent lines and along with her dark blue hull, she stands out against other yachts of her size. Her chic exterior translates to the modern and spacious interior design created by Kinder. The balanced colour palette is light and fresh , the windows in the salon let in lots of natural light, giving guests the impression of space and open sea.

The yacht can accommodate for 12 guests in 6 luxurious cabins.

The Owners stateroom is situated on the upper deck, consisting of a Spa area, which includes massage room, shower and steam room for up 6 guests, luxuriously bathroom, extra owner's office with TV and independent alfresco area with jacuzzi. In the Stateroom, the TV comes down from the ceiling and can be turned on 180° to face the jacuzzi outside deck.
All this is framed by natural light courtesy of the large surrounding windows. The Spa area can be separated from the owners private space, so that the guests can enjoy the Spa facilities without disturbing the principal charterer by accessing from the wheelhouse.

The large full-beam VIP Stateroom is situated on the main deck forward and offers electric bed, mini-fridge and plenty of storage space. These quarters include a generous size bathroom with bathtub, with bidet and toilet. There is a large shower with music speakers inside. The bathroom is separated from the bedroom by opaque sliding glass doors.

The main deck boasts a fully equipped HOME CINEMA/THEATER ROOM, with the large windows that can be blacked out.

The lower deck offers FOUR COMFORTABLE DOUBLE GUEST CABINS, all providing spectacular views through the outstanding, large portholes, providing guests with a sense of space and luminosity.Each cabin offers with king size bed, en suite bathroom and flat screen TV. Two of the guest cabins also have additional Pullman beds.

The Sundeck , dominated by an impressive Dip Pool (fresh or seawater as desired) and a large adjacent sunbed area, sheded, but easily turned into an open space by use of the retractable awning. Outside amenities include a barbecue/grill ice-maker, bar and L-shaped dining, as well as the DOMOS sound system with Mordaunt-Short speakers.

The bow offers further sunbathing areas.
