Description

The Elan Power E42 is a well seen beauty, with her sportive lines and silver-grey hull you know you look good. In the last few years, the caring owner made sure that he got what he missed. With a new generator, engine software upgrade, new stern drives, new stern thruster and new AC he made sure that both staying on her as cruising with her was a pleasure. When thinking of Elan, you probably don’t think of motorboats first, but the Elan Power E42 will change your mind!
