Description

This Hanse 360 was launched by Croatia Yachting, the official Hanse dealer, and features a 3-cabin layout with 2 heads. The yacht is located in Marina Kaštela and will be ready for takeover after the 2026 season (October).

Built around Hanse's Easy Sailing philosophy, the Hanse 360 offers effortless handling and excellent sailing performance, even with a smaller crew. Her modern deck layout and bright interior create an ideal balance between sporty sailing and onboard comfort. With her compact size combined with smart use of space, she delivers an impressive feeling of openness both on deck and below.

This yacht is equipped with bow thruster and teak cockpit.

List of options added to the standard equipment:

Hanse Yachting World Charter Management
The easiest way to your own Hanse yacht!
Owning a yacht often seems like a big commitment. Along with the financial aspect of purchasing and servicing a yacht, you must arrange for the berth, regular maintenance and check-ups while you are also spending time of your long-awaited holidays to get the yacht ready for your sailing trip every time you want to use it. If you would like to own a yacht without having to worry about anything, or if you are not sure you could afford your dream yacht, maintain it or if you think that you will not be using it enough to be worth buying it, our Yachting World charter management is something that would fit in your plans.

The Hanse Yachting World Charter Management program is essentially our range of services that ensure our care of your yacht and its charter guests, making sure that your yacht reaches its charter income potential and retains as much value as possible over the years. This program is designed to make the yacht ownership as easy as it gets while it will also cover your yachts running costs and in certain charter management models bring additional profit, making your yacht purchase an investment.

Our charter management program has already been recognized by many satisfied owners.

Key benefits of charter management
-excellent booking results, with more than 20 weeks per season
-financial security with insurance against loss of charter income (in the event of a damage)
-high maintenance standards ensure best resale value for your yacht regardless of its age
-special purchase conditions for your yacht
-high-quality aftersales support with prompt processing of claims throughout warranty
-favourable financing conditions through affiliate leasing companies
-transparent cash flow reports through constant insight in income and expenses
-easy sale or trade in with our brokerage support
