Description

The Hanse 385 combines modern design, confident sailing performance, and exceptional comfort in a yacht that appeals equally to ambitious cruising sailors and relaxed leisure crews. With her clean lines, powerful hull design, and distinctive Hanse styling, she attracts attention both in the marina and out at sea.

Thanks to the well-designed self-tacking jib system, the Hanse 385 can be sailed almost effortlessly by a small crew or even single-handed. This makes her the ideal choice for sailors who value maximum freedom and easy handling without sacrificing sporty performance. The balanced sail plan delivers dynamic, safe, and stable behavior in a wide range of wind conditions.

Below deck, the yacht impresses with a light-filled, contemporary interior and high-quality craftsmanship. Spacious cabins, a comfortable galley, and an elegant saloon create an atmosphere far beyond that of a typical cruising yacht. Numerous hull and deck hatches provide plenty of natural light and an airy feeling throughout the interior — perfect for extended voyages or relaxing weekends on board.

The Hanse 385 represents the perfect balance of performance, comfort, and ease of handling. Whether for coastal cruising, family holidays, or sporty sailing adventures, this yacht delivers an exceptional sailing experience with style and character.
