Description

The Hanse 415 sailboat, based at the prestigious Monte Real Club de Yates in Baiona (Pontevedra), offers the ideal platform to explore the breathtaking Rías Baixas and Galicia's Atlantic Islands National Park. Measuring 12.40 metres in length with a 4.17-metre beam, this model is renowned for its fast, stable, and responsive handling under sail, making it an excellent choice for true sailing enthusiasts.

The vessel is optimized to comfortably accommodate 8 guests for day charters and provides overnight capacity for up to 6 guests across 3 spacious double cabins and 2 full heads. The exterior cockpit features twin helm wheels, a drop-leaf table, and a fold-out swim platform, while the bright interior hosts a cozy saloon and fully equipped galley for seamless life on board.

This sailboat is available on a bareboat charter basis for qualified sailors wishing to chart their own course through the Vigo and Pontevedra estuaries. For those preferring a relaxed journey without steering responsibilities, an optional professional skipper service is available to navigate to prime anchoring spots around the Cíes Islands, Ons, and the coastline of Baiona.
