Description

Since her launch in 2017, the Hanse 415 "Luna" has been part of our charter fleet in Marina Mandalina, Šibenik, maintained by Croatia Yachting, an official Hanse dealer. The yacht will be ready for takeover after the 2026 season (October).

The Hanse 415 is a modern cruising yacht that perfectly balances sailing performance, comfort and easy handling. Designed by Judel/Vrolijk & Co., she features Hanse's renowned self-tacking jib, a spacious cockpit and a bright, contemporary interior, making her an excellent choice for both family cruising and longer voyages.

A beautiful Hanse 415, with a long list of options, including a full artificial teak deck, in mast furling and a bow thruster. The boat has brand new navigation electronics installed in 2024, including the batteries, chart plotter, autopilot and VHF. New mainsail in 2023 and new jib in 2024.

Hanse Yachting World Charter Management
The easiest way to your own Hanse yacht!
Owning a yacht often seems like a big commitment. Along with the financial aspect of purchasing and servicing a yacht, you must arrange for the berth, regular maintenance and check-ups while you are also spending time of your long-awaited holidays to get the yacht ready for your sailing trip every time you want to use it. If you would like to own a yacht without having to worry about anything, or if you are not sure you could afford your dream yacht, maintain it or if you think that you will not be using it enough to be worth buying it, our Yachting World charter management is something that would fit in your plans.

The Hanse Yachting World Charter Management program is essentially our range of services that ensure our care of your yacht and its charter guests, making sure that your yacht reaches its charter income potential and retains as much value as possible over the years. This program is designed to make the yacht ownership as easy as it gets while it will also cover your yachts running costs and in certain charter management models bring additional profit, making your yacht purchase an investment.

Our charter management program has already been recognized by many satisfied owners.

Key benefits of charter management
excellent booking results, with more than 20 weeks per season
financial security with insurance against loss of charter income (in the event of a damage)
high maintenance standards ensure best resale value for your yacht regardless of its age
special purchase conditions for your yacht
high-quality aftersales support with prompt processing of claims throughout warranty
favourable financing conditions through affiliate leasing companies
transparent cash flow reports through constant insight in income and expenses
easy sale or trade in with our brokerage support
