Description

The Hanse 455 "Maxine II" has been part of the Hanse World Charter Management program since her launch and has been serviced and maintained by Croatia Yachting, the official Hanse dealer. She features a spacious 4-cabin, 2-head layout. The yacht is located in Marina Kaštela and will be ready for takeover after the 2026 season (October).

The Hanse 455 combines elegant lines with Hanse's signature sailing performance and excellent onboard comfort. Her deck layout is optimized for fast cruising, while the spacious cockpit and bright saloon create an ideal setting for relaxed life on board.

The yacht has been upgraded with a renewed mainsail, while the genoa, bimini, and sprayhood were replaced in 2024. Additional equipment includes solar panels, lithium batteries, a TV and grill, enhancing comfort and autonomy on board.
