Description

This Hanse 510 was launched by Croatia Yachting, the official Hanse dealer, and features a 4+1 cabin layout including a generous owner’s cabin with 2+1 heads. The yacht is located in Marina Kaštela and will be ready for takeover after the 2026 season (October).

Effortless sailing and fast cruising in a stunning, modern design: the innovative hull shape and perfectly placed chine edges ensure optimal water drainage – a guarantee for outstanding performance and easy handling. In addition, the yacht features the largest tender garage in its class.

Designed by the renowned Berret-Racoupeau studio, this 51-foot yacht offers completely new dimensions of space. The spacious cockpit, unique in this category, is the ideal place to relax with family and friends. Inside, the contemporary layout creates an impressive sense of volume, offering plenty of space for both socialising and privacy.

This yacht is equipped with an air conditioning, heating, a generator, inverter, teak cockpit, grill and electric toilets.

Hanse Yachting World Charter Management
The easiest way to your own Hanse yacht!
Owning a yacht often seems like a big commitment. Along with the financial aspect of purchasing and servicing a yacht, you must arrange for the berth, regular maintenance and check-ups while you are also spending time of your long-awaited holidays to get the yacht ready for your sailing trip every time you want to use it. If you would like to own a yacht without having to worry about anything, or if you are not sure you could afford your dream yacht, maintain it or if you think that you will not be using it enough to be worth buying it, our Yachting World charter management is something that would fit in your plans.

The Hanse Yachting World Charter Management program is essentially our range of services that ensure our care of your yacht and its charter guests, making sure that your yacht reaches its charter income potential and retains as much value as possible over the years. This program is designed to make the yacht ownership as easy as it gets while it will also cover your yachts running costs and in certain charter management models bring additional profit, making your yacht purchase an investment.

Our charter management program has already been recognized by many satisfied owners.

Key benefits of charter management
-excellent booking results, with more than 20 weeks per season
-financial security with insurance against loss of charter income (in the event of a damage)
-high maintenance standards ensure best resale value for your yacht regardless of its age
-special purchase conditions for your yacht
-high-quality aftersales support with prompt processing of claims throughout warranty
-favourable financing conditions through affiliate leasing companies
-transparent cash flow reports through constant insight in income and expenses
-easy sale or trade in with our brokerage support
