Description

Sailing along the coast of Croatia aboard a modern, safe, and well-equipped catamaran is the perfect way to blend adventure and comfort with every nautical mile. The Lagoon 38 “Mare Amore” (2026), based in Marina Mandalina (Šibenik), is available for bareboat charter, ideal for licensed sailors looking to experience the Adriatic in full freedom.

This 11.38-meter catamaran features a 4 + 2 cabin layout, comfortably accommodating up to 12 guests: 4 double cabins, 2 single forepeak cabins (accessible from both the interior and exterior), plus a convertible saloon. With 2 bathrooms onboard, it’s an excellent option for families or larger groups.

“Mare Amore” stands out for its high level of onboard comfort and energy autonomy. The boat is equipped with air conditioning, generator, 2,000 W inverter, solar panels, heating, electric fans in cabins, three refrigerators, coffee machine, hot water, and a fully equipped galley.

Outdoor living is just as inviting, with a forward sunbathing area, fly sunpads, cockpit in teak, cockpit table with light, bimini, sprayhood, deck shower, swim platform, full cockpit enclosure, dinghy with outboard, cockpit grill, and davits — everything you need to make the most of every anchorage in the Adriatic.

When it comes to sailing, the Lagoon 38 offers control, performance, and reliability: full-batten mainsail, furling genoa, electric winch for genoa and halyards, autopilot, AIS, cockpit GPS plotter, wind instruments, handheld compass, VHF, and electric windlass with remote control and chain counter at the helm.

Šibenik, in the heart of Dalmatia, is a privileged departure point for exploring the Kornati Islands, Zlarin, Kaprije, Prvić, and countless hidden coves accessible only by sea. Each day offers new opportunities: swim in clear blue waters, dock in charming harbors, or sleep beneath the stars in peaceful bays.

If you're looking to rent a catamaran in Croatia bareboat, the Lagoon 38 “Mare Amore” brings together everything you need for an unforgettable charter: space, equipment, autonomy, and total freedom.
