Description

Lagoon 51 - available.

This new Model stands out with a more spacious and comfortable Flybridge.
At the back of the helm station we have comfortable C-shaped seats with a central table and at the front of the helm station an XL sunbathing area.
The rigid Bimini protected from the sun while sailing or having an aperitif with guests.
The double access to the Flybridge is another advantage that allows a great flow between the living spaces on board.

In addition to an attractive Flybridge, we also have a magnificent area in the bow to enjoy the ocean in first line and a stern cockpit with everything you need for a relaxing dinner. The stern platforms are wide and elongated and allow safe and comfortable access to the boat.

The interior of the Lagoon 51 has a restful and spacious saloon, designed to feel good.
It is available with 4 Cabins and 3 Heads, 4 Cabins and 4 Heads, 6 Cabins and 4 Heads.
The owner version, on starboard side, has a spacious dressing room and on the port side there are 3 double cabins and two bathrooms.
