Description

This yacht is available for immediate inspection in Phuket.
I can arrange live video tours, detailed walkthroughs, sea trials, survey coordination, and provide additional photos, videos, technical information, and ownership documentation upon request.
A well-balanced owner’s catamaran offering **true volume, smart layout, and easy handling**.
4-cabin configuration with a **private owner’s suite**, a large open cockpit seamlessly connected to the saloon, and a flybridge helm that keeps all sailing operations simple and centralized.
Wide side decks and protected walkarounds ensure safe movement onboard, while the elevated helm station provides excellent visibility and control.
Powered by twin Volvo engines, she is designed for **reliable cruising with minimal crew**, making her ideal for both private use and charter programs.
Strong fundamentals: space, layout, usability.
