Description

Remarks :
Leopard 38 sailing catamaran, built in 2010, featuring a 4-cabin layout and accommodation for up to 10 guests. Twin 58 HP diesel engines provide reliable and efficient performance. The yacht achieved 1st place in the Catamaran class and 2nd place in the Multihull class at the 2025 Bodrum Cup. Recent maintenance has been completed on engines, hull and sails, with all onboard systems in good working condition. Equipment includes Webasto heating, inverter and solar panels. Supplied with a Highfield 270 tender and Parsun 9.9 HP outboard engine (2025). The yacht is currently afloat and actively used.

Accommodation :
Leopard 38 (2010) offers a practical 4-cabin layout with accommodation for up to 10 guests, ideal for family cruising or longer stays on board. The interior includes a bright saloon with dining area and a functional galley. There are 2 heads with separate showers, both en-suite, providing comfort and privacy for guests. Hot and cold pressurised water is available throughout the yacht. Heating is provided by a Webasto system, supporting comfortable use during cooler seasons. Overall, the layout is spacious, well ventilated and designed for easy liveaboard cruising.

Inventory :
The yacht is well equipped for comfortable cruising and extended stays on board. Accommodation includes four cabins with ample storage, a spacious saloon and fully equipped galley. Interior features include refrigerator, deep freezer, cooker, kettle and hot water system. On deck, the yacht is fitted with mast and sails, electric windlass, anchor and chain, bimini top, sunbathing areas, swimming ladder and davits. Safety equipment includes life jackets, lifebuoys and fire-fighting equipment. Navigation and electronics equipment include GPS, chart plotter, radar, autopilot, VHF radio, compass, speed instruments, TV and satellite system, and onboard music system.
Electrical systems include AC/DC power, batteries, inverter, solar panels, bilge pumps and freshwater pressure system. Tankage consists of fuel, fresh water, grey water and black water tanks.
The yacht is offered with a Highfield 270 tender featuring a Parsun 9.9 HP outboard engine (2025 model).

Mechanical :
Twin Yanmar 58 HP diesel engines provide reliable and efficient performance, well suited for both cruising and maneuvering. The yacht is equipped with sail drives and wheel steering, ensuring smooth handling and ease of control. Major engine maintenance has been recently completed and the vessel is actively used. Sloop rig with mast and sails in good working condition. Recent maintenance on sails and rigging has been carried out, supporting safe and balanced sailing performance. Additional onboard systems include inverter, solar panels and Webasto heating, enhancing comfort during extended stays on board.
