Description

2017 ROBERTSON AND CAINE LEOPARD 43 POWERCAT - LIVITUP

BUILDERS REMARKS: The Leopard 43 PC represents the major advancements by Leopard Catamarans in the Power Catamaran market. This yacht performs at the highest level and its design is unmatched. The amazing experience the Leopard 43 PC can offer are amplified by her construction, design, aesthetics advancement and capabilities. This contemporary catamaran boasts economy, is easy to handle and spacious. Her new hull design amplifies her hull speed and agility. Enjoy the sunrise and sunsets on the fly-bridge or in the aft cockpit.
Her increased interior-exterior living space promotes a convivial atmosphere and her functional design makes her exceedingly user friendly. Whether crossing oceans, at anchor or on the deck this boat will not disappoint. The stepped hull design offers 27% more interior volume than her predecessor above the waterline, allowing for a roomy accommodation in the hulls without sacrificing on performance of the yacht.
The narrower hulls and less wetted surface area below the waterline allow the boat to reach an impressive maximum speed of 20+ knots and maintaining exceptional fuel efficiency consistent with the brand. Her large fly-bridge offers 360 degree views making navigation easy and safe. The new interior layout with the galley located forward and the forward facing table and settee are now located aft. The starboard hull is entirely dedicated to the Owner's suite with spacious master cabin with private head with large separate shower compartment in the forward section of the hull. The light blond interior shows well through out the boat including guest cabins adding to the feeling of ample space.

BROKERS REMARKS: LIVITUP is a 2017 Leopard 43 Powercat in the 3-cabin owners layout with the lighter ash interior. Phasing out from the Abaco Bahamas base (Marsh Harbor). Generator, air conditioning, and electric davits. Asking price is now USD 459,000.

NOTE: This vessel sustained minor damage from Hurricane Dorian and will be repaired following builder guidelines. Current listing photos are of a sistership.

AVAILABILITY: Released from the fleet and awaiting phase-out completion in Marsh Harbor, Bahamas.
