Description

LEOPARD 45 "HIVA'OA III" - LOUNGE version

Since the launch of the Leopard 45 in 2017, the exterior styling has evolved as shown in this model with the innovative hardtop lounge.

This lounge feature first launched on the award-winning Leopard 50 and like her big sister, the lounge on the Leopard 45 includes a seating area, a sunbed, and a table. Access to the lounge is provided by floating stairs leading up from the aft cockpit, without disrupting the helm station. The helm station remains well protected, and integrated into the cockpit and the rest of the boat.
This 4 cabin layout Leopard 45 offers the perfect entertainment package with increased aft area with new layout, ergonomically designed open plan saloon and galley, larger forward cockpit, and more onboard area.
Broker’s Remarks: HIVA'OA III is the second bareboat Leopard 45 Lounge version we have listed in Seychelles. This included upgrades over the older models, including the fly-bridge cockpit (which everyone loves), water maker, inverter, and very clean modern interior.
Availability: This yacht is currently in Sunsail Seychelles fleet until 31st December 2026. Upon release from the fleet, the yacht will have full maintenance program prior the handover.
