Intérieur	**congélateur, couverture de coussin, four, micro-ondes, réfrigérateur, table de cabine, WC électrique (Electric fresh water flushing toilets)**
Voiles	**génois sur enrouleur, grand voile lattée, lazy bag, lazy jacks**

Description

2019 Leopard 50 - The Devonair

BUILDERS REMARKS: With versatility in mind, we bring to you the next generation of Leopard Catamarans, the Leopard 50. She has been designed to replace one of the best-selling Leopard Catamarans of all time, the award-winning Leopard 48. The Leopard 50 has the ideal layout for anyone looking for more outdoor living space as she comes equipped with a flybridge that includes a lounge area, table, sunbed and optional exterior speakers and shade awning. Access is provided by floating stairs leading up from the aft cockpit. An important distinction compared to similar sailboat flybridge configurations is that while under sail, passengers can move about the flybridge with ample headroom and never worry about interference from the boom. The flybridge is also situated to still maintain contact with the helm station, an important feature found on all Leopard Catamarans.
BROKERS REMARKS: The Devonair is a 2019 Leopard 50 in the 4-cabin owners layout, located in Road Town, British Virgin Islands. Asking price is USD 635,000. Twin Yanmar 4JH80 engines (57 hp each), Northern Lights / 9 kW generator (confirm make/hours), air conditioning, electric davits, forward cockpit, and lighter ash interior. Flybridge lounge with table and sunbed plus the 50’s open salon-to-cockpit living. Recently completed a BVI refit and finished phase-out.

AVAILABILITY: This yacht has finished phase out and is available for viewing. Contact the Fort Lauderdale office to schedule.
