Description

2022 L53PC - TomKat
Manufacturer Description:
The 4th Generation of Leopard Powercat
Succeeding the most popular powercat of all time (Leopard 51 Powercat), this Leopard 53 Powercat ushers in the 4th generation with a yacht that features all the attributes that made her predecessor successful, while reimagining what a powercat should be. With the space, stability, and efficiency expected of a catamaran combined with the comfort and luxury of a motor yacht, she is crafted with style without compromising on performance.

The Best of Both Worlds
The Leopard 53 Powercat offers a modern interior with the comforts of home as well as plenty of outdoor entertaining space. Combined with the smart and economical advantages of the catamaran design, she is easy to maintain and operate, and is up to 50% more fuel efficient than her monohull motoryacht counterparts.

The interior’s atmosphere will entice, with cool tones and modern finishes. The four-cabin owner’s version provided an at-home feel with a large cabin.

The saloon offers large, panoramic windows, an L-shaped lounge to port and a 2-person settee to starboard with an option to add an interior navigation station. The flow is seamless with access to foredeck through the forward saloon door.

The galley is outfitted with a domestic-sized refrigerator/freezer, Staron® worktop surfaces, 4-burner stove, microwave oven, sink and faucet, and ample amounts of storage.

The flybridge provides a well-thought-out helm station with great visibility. Spacious seating and a large table allow for a great place to entertain family and friends and enjoy a meal with spectacular views.
Broker's Comments:
TomKat is a 2022 Leopard 53 Powercat in the four-cabin layout with the starboard-aft owners suite, located in Tortola, British Virgin Islands. Asking price is USD 999,000. Twin Yanmar 8LV350 diesels (350 hp each) with about 2,114 hours port and 2,179 hours starboard, Northern Lights generator (Features: 9 kW about 17,176 hours as of August 2026; Additional Specs say 12 kW — confirm), air conditioning, and the 53 PC’s flybridge living and aft cockpit flow. Finished final charter on 31 July 2026 and is ready for refit ahead of private ownership.
As expected this yacht shows superbly, as the photos illustrate, and a gleaming interior. Just stepping on board TomKat is an experience. Being out on the water....Wow!

The owner is motivated to sell, hence we just lowered the asking price to $949,000. That puts her at better value than the other 53PCs on the sheet, and she shows as well as, or better than, anything we have.
AVAILABILITY: This yacht finished its final charter on 31 July 2026 and is entering refit. Contact the Fort Lauderdale office to schedule a viewing.
