Description

2021 Leopard 53 Powercat - Monkey Business
Manufacturer Description:
The 4th Generation of Leopard Powercat - Succeeding the most popular powercat of all time (Leopard 51 Powercat), this Leopard 53 Powercat ushers in the 4th generation with a yacht that features all the attributes that made her predecessor successful, while reimagining what a powercat should be. With the space, stability, and efficiency expected of a catamaran combined with the comfort and luxury of a motor yacht, she is crafted with style without compromising on performance.

The Best of Both Worlds
The Leopard 53 Powercat offers a modern interior with the comforts of home as well as plenty of outdoor entertaining space. Combined with the smart and economical advantages of the catamaran design, she is easy to maintain and operate, and is up to 50% more fuel efficient than her monohull motoryacht counterparts.

The interior’s atmosphere will entice, with cool tones and modern finishes. The four-cabin owner’s version provided an at-home feel with a large cabin.

The saloon offers large, panoramic windows, an L-shaped lounge to port and a 2-person settee to starboard with an option to add an interior navigation station. The flow is seamless with access to foredeck through the forward saloon door.

The galley is outfitted with a domestic-sized refrigerator/freezer, Staron® worktop surfaces, 4-burner stove, microwave oven, sink and faucet, and ample amounts of storage.

The flybridge provides a well-thought-out helm station with great visibility. Spacious seating and a large table allow for a great place to entertain family and friends and enjoy a meal with spectacular views.
Broker's Comments:
MONKEY BUSINESS is a great opportunity to own a Leopard 53PC. Limited numbers in the fleet and the only one based in the Bahamas. With the new 46PC model going to make up most of the fleet there will not be many 53PC available for sale in the future coming out of fleet.
AVAILABILITY: Due to be released form the fleet on 31st August 2026. Maybe available sooner please enquire.
