Description

2022 ROBERTSON AND CAINE LEOPARD 53 POWERCAT - Jubilee
Manufacturer Description:
The 4th Generation of Leopard Powercat
Succeeding the most popular powercat of all time (Leopard 51 Powercat), this Leopard 53 Powercat ushers in the 4th generation with a yacht that features all the attributes that made her predecessor successful, while reimagining what a powercat should be. With the space, stability, and efficiency expected of a catamaran combined with the comfort and luxury of a motor yacht, she is crafted with style without compromising on performance.

The Best of Both Worlds
The Leopard 53 Powercat offers a modern interior with the comforts of home as well as plenty of outdoor entertaining space. Combined with the smart and economical advantages of the catamaran design, she is easy to maintain and operate, and is up to 50% more fuel efficient than her monohull motoryacht counterparts.

The interior’s atmosphere will entice, with cool tones and modern finishes. The four-cabin owner’s version provided an at-home feel with a large cabin.

The saloon offers large, panoramic windows, an L-shaped lounge to port and a 2-person settee to starboard with an option to add an interior navigation station. The flow is seamless with access to foredeck through the forward saloon door.

The galley is outfitted with a domestic-sized refrigerator/freezer, Staron® worktop surfaces, 4-burner stove, microwave oven, sink and faucet, and ample amounts of storage.

The flybridge provides a well-thought-out helm station with great visibility. Spacious seating and a large table allow for a great place to entertain family and friends and enjoy a meal with spectacular views.
Broker's Comments: JUBILEE – where every voyage feels like a celebration.
This isn’t just another Leopard 53PC listing. This is your chance to own a nearly-new, four-cabin jewel that’s been turning heads in the BVI fleet… and she’s about to slip away.
Priced well south of what the factories are asking for a fresh hull today, Jubilee delivers the exact layout serious owners crave: that massive, private owner’s suite tucked aft on the starboard side, plus three additional guest cabins that still feel generous. She’s the sweet spot between brand-new sticker shock and older-boat compromise.
Walk aboard and you’ll instantly feel it. The interior is radiant, the finishes are sharp, and the whole boat just… sparkles. Then take her outside the harbor. The moment the throttles go down (with over 20 knots top speed) and the horizon opens up, you’ll understand why people fall hard for this model. It’s not just transport. It’s pure joy on the water.
The owner has decided it’s time for a new chapter, and is hugely motivated to sell.

Here’s the part you need to know: Jubilee left the BVI charter fleet, on 30 July 2026. She is entyereing a a world class refit right now.. If you’ve been waiting for the right 53PC at the right price, the window is open right now… and it’s closing. For a 2022 model, this is an awesome asking price! Seller seems motivated too.
Ready to turn “someday” into “let’s celebrate”?
Give me a shout. I’d love to get you aboard before she sails off into her next adventure.
