Description

Maiora 36 mt is a motoryacht, built in 2018, offers a perfect blend of luxury, performance, and functionality. One of SANDS‘ standout features is its unique six-cabin layout, a rarity for a vessel of its size. Accommodating up to 12 guests, the yacht offers 2 master cabins located on the main deck, each with identical layouts to provide maximum comfort and privacy. The additional 4 double cabins are located on the lower deck, with two cabins convertible into twin beds, offering versatile accommodation options to suit any guest’s preferences.

Her spacious and elegant interior features multiple lounging areas, perfect for relaxation or socializing. The yacht is designed for seamless indoor-outdoor living, with beautifully appointed sitting and dining areas, as well as an expansive flybridge. The outdoor bar on the top deck is ideal for unwinding with a refreshing drink while enjoying breathtaking panoramic Mediterranean views.

Water sports enthusiasts will appreciate the wide range of water toys and equipment available onboard, ensuring hours of fun on the water. The experienced captain, with over two decades of maritime expertise, leads a dedicated crew that provides first-class service to ensure a stress-free, memorable journey.
