Description

Remarks :
The Maxi 1100 is a spacious and capable cruising yacht, renowned for her solid Scandinavian build quality, comfortable accommodation, and excellent sailing performance. Designed for both extended cruising and relaxed coastal passages, she offers a bright, practical interior and a reassuringly stable ride under sail. Power is provided by a reliable Volvo Penta MD2030 28hp diesel engine, which was serviced in December 2025, with the heat exchanger serviced in 2022 and a new stainless steel exhaust elbow fitted in 2025. Combining comfort, performance, and proven craftsmanship, the Maxi 1100 is an excellent choice for sailors seeking a well-maintained and capable cruising yacht.
