Description

M/Y Elena was launched in 1992 and was one of the first yachts to enter the Greek charter market. She was built in Perama Shipyard in Greece. She has a steel hull which offers steady cruising and her entire interior is constructed from oak and mahogany wood. M/Y Elena is a classic displacement yacht featuring ample deck space and a lavish interior. In 2008 her stern was extended and a new swim platform was added for easy access to the sea. In 2016 she was refitted with new upholstery in the saloon, VIP cabin and Master Cabin and had a second sun deck installed. MY Elena can accommodate 12-14 guests in 6 cabins.
In 2023 she had an extensive refit as follows:
-Repainting of the full exterior of the yacht
-New carpets in salon and all cabins
-New bed spreads for all the beds
-New upholstery on sofas in salon
-New sofa in the master cabin
-New exterior sofa on upper deck exterior saloon
-New teak deck chairs, for exterior table on the lower deck
-New sundbeds for upper deck
-Newly restored tender with 70hp outboard
-New bluetooth and usb music stations installed in 5 cabins
Her main deck features the saloon and dining area, the galley and the VIP cabin. Her mid lower deck features the Master cabin which also has a sofa and her two twin cabins. Two more twin cabins are located in the stern lower deck. All cabins have ensuite facilities and are fully air-conditioned. M/Y Elena also has a seventh cabin with bunk beds and ensuite facilities which can be available to the guests upon request. The crew quarters are located on the lower deck and have a completely separate entrance. M/Y Elena has a warm feel to her and all her guests feel at home when on board. She has a 4.40mt tender with a 70hp outboard engine, water skis, tubes, rings, snorkeling and fishing equipment are also available on board. Her lovely crew of 5 are always ready to cater to guests needs.
