Description

Remarks :
SUPERB PERSHING 50 – PRICE REDUCED Combining innovative styling with unmistakable elegance, the Pershing 50 delivers outstanding performance alongside refined comfort. Her sleek, sporty profile is perfectly balanced by a spacious and well-appointed interior, offering a superb blend of luxury and practicality.
Powered by twin MAN V8 800 CRM diesel engines (1600hp total) with approximately 1,300 engine hours, this example is equipped with a desirable shaft drive system.
Renowned for its strength and reliability, the shaft drive offers significant advantages over sterndrives, including reduced maintenance, greater durability, and enhanced long-term efficiency. It also ensures smoother cruising with lower vibration levels and improved onboard comfort.
This Pershing 50 represents an excellent opportunity to acquire a high-performance yacht with timeless appeal, now attractively priced for a prompt sale.
