Puissance	**300 cv (221 kW)**

Description

With its combination of sporty sea capabilities, well-thought-out layout, and high comfort levels, the model offers versatile boating for both family and friends.

The spacious cockpit, protective hardtop, and well-equipped cabin with a separate toilet make the boat equally suitable for fast transport and water sports as for longer day trips and comfortable weekend getaways.

Remaining engine warranty is available – within the EU 3 years. Sweden 7 years for consumers, 2 years for businesses.
