Description

TES 32 Dreamer – Spacious, modern and family-friendly cruiser
PLEASE NOTE: The keel requires repair. A quotation of approximately DKK 30,000 has been obtained for the work, and this has been taken into account in the asking price.

Well-maintained TES 32 Dreamer – Comfortable cruiser with plenty of space and modern features!

The TES 32 Dreamer is a modern and well-designed sailing yacht that combines good sailing performance with a high level of onboard comfort. With its bright and spacious interior, large cockpit and well-thought-out layout, the boat is ideal for families, long-distance cruisers and couples looking for a comfortable yacht for holidays and weekend trips.

The hull design provides stable and reassuring sailing characteristics, while the spacious cockpit offers an excellent setting for both sailing and relaxing in harbour. Wide side decks and safe access around the deck make the boat easy to handle for both new and experienced sailors.

Below deck, the TES 32 Dreamer impresses with a bright and modern saloon offering good headroom, large windows and a layout that makes excellent use of the available space. The forward cabin features a comfortable double berth, while the aft cabin provides additional sleeping accommodation. The saloon can also be converted into extra berths, providing plenty of room for family and guests.

The galley is functionally designed with generous work surfaces, a cool box and cooker, while the separate toilet compartment adds to the comfort on board. Numerous lockers and storage compartments make it easy to stow equipment and provisions for longer stays on the water.

The TES 32 Dreamer is an excellent choice for sailors looking for a modern and well-designed cruiser with a strong focus on comfort, functionality and enjoyable experiences on the water.
