Description

Remarks :
This 1979 Tradewind 33 is a well maintained "Blue Water Cruiser" and is powered by a 2018 Nanni 38hp diesel engine with only 320 engine hours. Her inventory includes 2013 standing rigging, slab reefing mainsail with lazybag, furling genoa, sprayhood, self-tailing genoa sheet winches, manual windlass, four berths, chart-plotter, wind instrument, tiller-pilot and more. "Ocean Eagle" has a solid sea kindly feel to her and has benefitted from a full refit in 2013 by her previous owners, who were professional boatbuilders. She has also benefitted from continuous investment in upgrading equipment and systems under her present ownership. She is antifouled and afloat, ready to go. Viewing is recommended.

Accommodation :

Inventory :
Construction Hull Number 12
GRP Hull with long encapsulated ballast, no trace of osmosis in recent survey. Hull was epoxied to waterline in 2013 refit. Topsides original white with blue stripe. Anitfouled in May 2026
Steel fuel tanks were cleaned
300 liters freshwater keel tank with electric and manual pumps and filtration system.
Brass oil lamps in the saloon
Tools and spares
Load luggage carrier
Owner's Comments "Ocean Eagle" was built in 1979 and professionally fitted out by Lavis’s Boatyard. She is in excellent condition, which was confirmed by a recent survey and has benefitted from a full refit in 2013 by her previous owners who were professional boatbuilders. I purchased the boat in 2017 and since then have had a new Nanni N4 38hp engine fitted. Upgraded all related components including new shaft, prop, anti-syphon, exhaust, water strainer, seacock, shaft seals, mounts etc. She has also benefitted from continuous investment in upgrading equipment and systems under my ownership. It is now ready to sail around the world or wherever you may wish to go.
Broker's Comments "Ocean Eagle" has a deep cockpit and feels sturdy, safe and relishes strong conditions. She has been well cared for and viewing is recommended"
